

The White Knight

The White Knight shield is awarded to students who demonstrate a capacity to help others by engaging in active citizenship.

Citizenship means being a member of a community and supporting it.

It reflects our Christian values of:

**Respect ~ Compassion ~ Friendship ~ Courtesy ~
Generosity ~ Thankfulness ~ Forgiveness ~ Truthfulness**

As parents we all want our children to be responsible citizens, respecting others and the environment.

If a student would like to apply for their White Knight Shield they must first do something to help others, this can be in the home or in the community.

It must be an activity that requires sustained effort and commitment i.e. fund raising for a charity, helping in the home regularly or having a consistent willing and helpful demeanour. This shield is awarded for any activity that will help spread a little happiness.

Kind regards,

My Name: Class:

I wish to apply for my White Knight Award because I have completed **at least one** of the following:

- raised money or made a significant contribution to a specific charity or person
- spent a morning or afternoon volunteering to help others as an act of charity
- regularly (6 occasions) helped somebody I know and trust in my local community
- recognised kindness in others by thanking them for what they do e.g. baked them a cake or made a 'thank you' gift.
