Any information you provide will be used solely to compile statistics on the school careers and experiences of pupils from different ethnic backgrounds, to help ensure that all pupils have the opportunity to fulfil their potential. These statistics will not allow individual pupils to be identified. From time to time the information will be passed on to the Local Education Authority and the Department for Education and Skills (DfES) to contribute to local and national statistics. The information will also be passed on to future schools, to save it having to be asked for again.
