What I will know at the end of this unit:

- I will copy and remember moves and positions.
- I will move with careful control and coordination.
- I can link two or more actions to perform a sequence.
- I can choose movements to communicate a mood, feeling or idea.

This unit's key ideas:

Dance is movement in response to musical rhythm.

Dance is a way to show your mood or feelings, or to share an idea.

There are many different types of dance.
