End of Unit Outcomes

- Respond to ideas and starting points.
- Explore ideas and collect visual information.
- Explore different methods and materials as ideas develop.
- Describe the work of notable artists, artisans and designers.
- Use some of the ideas of artists studied to create pieces.
- Use dip dye techniques.

This unit's key ideas:

Batik is a method of applying wax to a material before dip-dyeing it, so the dye only changes the colour of the unwaxed area.

Batik designs are inspired by nature, traditional stories, religion and cultural traditions. Different countries and regions have their own patterns.
