St Andrew's Church of England Primary School

LKS2 Knowledge Organiser – Term 5 Computing – Creating Media – Desktop Publishing

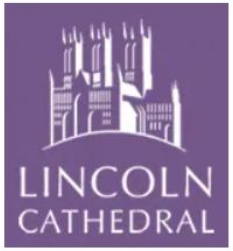

Key vocabulary	
desk top publishing	Creating documents that contain both text and images using page layout software.
font	The style of text. The font shows what the text looks like on screen and in print.
image	An image is a picture.
placeholder	Placeholders are boxes that hold the place of text or images that you are going to add to your document.
template	A template is a document that has been laid out in a certain way.
text	Text is the words. Text includes all the letters, numbers and symbols you can type using a keyboard.

Outcomes

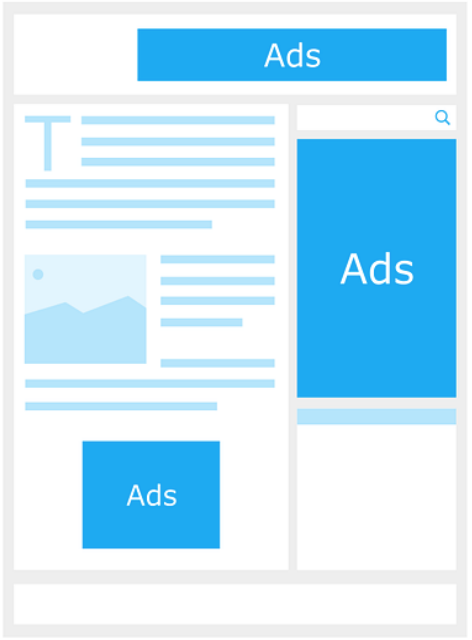

- recognise how text and images convey information
- recognise that text and layout can be edited
- choose appropriate page settings
- add content to a desktop publishing publication
- consider how different layouts can suit different purposes
- consider the benefits of desktop publishing

We use text and images to communicate. There are lots of examples of these in the world around us.

Templates can be helpful. They may have spaces for text and pictures already set out.
