Dear Mr Whalley

Re-accreditation of Healthy School Status

Thank you for submitting your school's Whole School Review which showed that you have maintained the standard and continued the excellent work which earned you Healthy School Status.

I am very pleased to inform you that St Andrew's CofE Primary School has been awarded Re-accreditation of Healthy School Status which is valid for 2 years. Well done and thank you to all staff, pupils, governors and parents whose dedication, hard work and co-operation is vital to maintaining these Healthy Standards which have a positive impact on so many children's lives.

We would like to present your school with a certificate marking your achievement. We will invite you to our next celebration event which we have scheduled for 7 November 2013.

As mentioned re-accreditation is valid for two years, your next review is due by 30 September 2015.

Once again thank you to everyone for all their hard work.

With best wishes

Richard Cumbers
